

Ysgol Gymunedol Llangatwg Llangatwg Community School

Main Road | Cadoxton | Neath | SA10 8DB

27th May 2016

Dear Parent / Carer

As you know, we have changed the school uniform for next year and will be moving to a green style jumper. The new uniform will be worn by all of the new year 7 and the rest of the school have until September 2017 to move to the change. A graphic of the new uniform is shown below.

Sportec, our uniform supplier based in Neath Abbey (behind CEM Days), will from now on only supply the new style jumpers and they expect the stock to be available from June 20th at the latest.

Apart from the new style V Neck or round neck jumpers, all other uniform remains the same. White polo shirts are available from Sportec to purchase.

All pupils are expected to wear black trousers (no jeans / leggings i.e. thin weaved with no pockets etc.) and black shoes. Pupils not adhering to this rule will be sanctioned according to the school's discipline procedures. We fully expect that all parents will support us in this and we value and appreciate this support.

As a school, we believe that uniform is an important part of our identity. A smart and presentable uniform displays high standards and high expectations, qualities that we value. The changes to our uniform will help ensure that Llangatwg is recognised as the excellent school that we all know it is.

Yours sincerely

Alan L Rowlands
