

Ysgol Gymunedol Llangatwg Llangatwg Community School

Main Road | Cadoxton | Neath | SA10 8DB

11th January 2018

Dear Parent / Carer

Llangatwg Community School is renowned for the extensive array of sporting opportunities afforded to pupils. The staff work extremely hard in ensuring that the pupils have the opportunity to represent the school in a range of different sporting areas and as a school we compete in most of the local school leagues.

As a school we are committed to continuing the current level of involvement in after school clubs, fixtures and activities and whenever possible we will provide transport for pupils to get home, unless otherwise stated. However, due to numbers and cost we are not able to provide transport to those pupils who stay in school to spectate and /or support their friends who are participating in a game as we arrange coaches based on numbers playing. If pupils do stay to watch a game after school, it will be the parent or carers responsibility to organise transport home for their child.

I hope that this letter clarifies the situation regarding transport home for sporting fixtures.

Yours sincerely

Alan L. Rowlands
Headteacher
