Dear Parent / Carer

Re: School Uniform Changes

Following on from the recent consultation on school uniform, I am writing to confirm that there will be a change in design of the school uniform.

Following the most recent survey, the most popular choice amongst pupils was to move to a green round neck / v neck sweatshirt.

For current pupils of the school, the changes will not be come in to force until September 2017, in order for pupils to have good use out of the uniforms they currently have. However, should you wish to purchase any uniform prior to September 2017, we will expect that to be of the new design as our supplier will not be selling the old uniform.

The year 7 intake of September 2016 will be required to wear the newly designed uniform.

We have worked with our uniform provider, Sportec, to ensure that the new uniform will be of a high quality, minimising issues such as colour fade, which has been a problem with the black uniform in the past. In addition to this, prices for the new uniform will be, on the whole, lower than previous prices for our uniform too.

Polo shirts will remain the same design and colour, whilst school trousers will remain black. Black jeans are not permissible.

I appreciate your support in this change and I am sure that you will agree that the new uniform will be extremely smart and presentable.

Yours sincerely

Alan L Rowlands
