

RWE GENERATION UK APPRENTICESHIP PROGRAMME

We're looking to recruit apprentices to join our industry leading technical services facility to work on the UK's leading power generation plants.

As a Craft Apprentice at RWE you can look forward to a four year programme which will support you towards an NVQ Level 3 in Power Plant Maintenance in Mechanical, Electrical, or Control and Instrumentation engineering.

Following the end of the programme you'll be qualified to apply to be a craftsperson at our Technical Services Centre or a power station

With a starting Salary of £12,900 rising to £23,310 in year 4 this is a great opportunity to start your career in the Energy Industry.

To apply you'll need 5 GCSE's A*-C including Mathematics, English and Science

Please go to www.RWEUKJOBS.com for more information and to submit an online application by January 3 2016
