

# RWE GENERATION UK POWER TECHNICIAN PROGRAMME

At RWE we're recruiting for our specially designed Power Technician programme which is accredited by the Institution of Engineering and Technology (IET).

Our programme provides a sound understanding of the technical and practical skills needed to be tomorrow's Power Generation Technicians.

The 4 year programme contains a blend of academic study and practical skills training at our specialist in-house training facility. You will also experience 'on the job' competency development and assessment in some of the UK's leading power stations. By the end of your 4 years you will have achieved a HNC and may have the opportunity to study for a higher national diploma.

With a starting Salary of £18,794 rising to £26,997 in year 4 this is a great opportunity to start your career in the Energy Industry.

**Entry Requirements:** BTEC Diploma or Extended Diploma in an engineering subject OR A Levels which include Mathematics and a Science

**Please go to [www.RWEUKJOBS.com](http://www.RWEUKJOBS.com) for more information and to submit an online application by January 3 2016**
